

2011 LICENCE APPLICATION & MEMBERSHIP FORM

BikeNZ issues Race Licences for Mountain Bike, Road and Track and are valid for one calendar year.

A BikeNZ Race Licence allows you to compete in most mountain bike, road or track events run by an affiliated Club or Centre, or sanctioned by Mountain Bike NZ (MTBNZ), BikeNZ Road & Track (BR&T), or BikeNZ. Note: You may need a clearance from your club and in some instances, e.g. National Championships, you may also need to be a financial member of the Member Organisation holding the Championships. Ensure you check the licence requirements with the specific event.

You cannot use a BikeNZ licence to compete in BMX events. For details on licences for BMX, contact BMX NZ on bmxnz@ihug.co.nz

YOUR MEMBER ORGANISATION

You must select BR&T as your Member Organisation. Completion of this form records your agreement to be a member of your chosen Member Organisation. This is the organisation with whom your licence is held, and you are bound by its constitution, rules and regulations. In most cases, your affiliated club will determine your Member Organisation. However there are a number of clubs that are affiliated to both BR&T and MTBNZ. If you have any queries regarding this, please talk with your club.

RACE LICENCE TYPES

There are 4 types of race licences available: Club (BR&T only), Centre (BR&T Only), National and International, and, as the names suggest, each licence allows you to race in the different levels of competition. Please note that Junior U15 & U17 should opt for a National Licence.

You must be a financial member of an affiliated club to be eligible for a racing licence. See www.bikenz.org.nz for details on affiliated clubs.

You are able to upgrade throughout the year by paying the difference in fees. Contact BikeNZ for further information.

INTERNATIONAL LICENCES

UCI requirements state that insurance must be included with the purchase of an International Licence. Ensure you complete the insurance section at the end of this application. Current insurance information is available on www.bikenz.org.nz.

You must email a jpg photo of yourself, without a hat or sunglasses to admin@bikenz.org.nz to appear on your licence before it can be processed. Ensure you include your full name with your photo.

TECHNICAL LICENCES

A Technical Licence caters for Commissaires, Coaches, Managers, Mechanics and Soigneurs and allows licence holders to attend Club, Centre, National and International Events in an official capacity. For BR&T members, technical endorsements on domestic racing licences are free. If you don't hold a race licence, your technical licence will attract the published fee of \$30.

LICENCE CATEGORIES

Your Licence Category states which category you compete in, and in most cases, is determined by your age. There are circumstances, however, which allow you to compete outside your normal category. Contact your club for further details.

Where you use your licence with another Member Organisation, your category may vary according to the category structure.

SUBMITTING THIS APPLICATION

BR&T Members

Please submit this application and all relevant fees (including Club and Centre Fees) to your Club. Do not post to BikeNZ unless you are applying for either a Technical Licence and do not intend to compete, or for an International Licence Upgrade. Please allow 4 weeks from when your club receives the application to receive your race licence.
